

Fixed Term Investment - end of term instruction

Use this form to tell us how you wish to reinvest your Fixed Term Investment which is about to mature. If you have more than one Fixed Term Investment, this instruction will only apply to the one that is about to mature.

Please read the Important Notes before completing this form.

If you do not provide reinvestment instructions, we will invest the proceeds of your Fixed Term Investment in accordance with the investment of your accumulation account balance, and in the same proportion, at the maturity date, or otherwise in the proportions at the most recent date you had a positive balance in those accumulation accounts.

Member's declaration

I confirm that I have read the Important Notes and have all the information I require to make an informed decision. I understand and accept that if I elect to reinvest in the next Fixed Term Investment, I may not be able to withdraw or switch the investment and if, for any reason, my investment is not held until the end of the term, I may not receive any interest (including for the period prior to redemption). Understanding the risks that are involved with investment choice, I wish to transfer the proceeds of my Fixed Term Investment between and to the investment options I have selected.

I understand that this end of term instruction will generally be effective the day my Fixed Term Investment comes to an end following receipt of this form by Maritime Super, as long as this form is received by 5pm (AEST) on the sixth business day before my Fixed Term Investment matures (and I understand that this instruction cannot be withdrawn or cancelled after this time).

You must return this form to Maritime Super **by 5pm (AEST) on the sixth business day before your Fixed Term Investment matures.**

About investment switching

You can change investment options for all or part of your existing account balance and/or your future contributions. This is known as 'investment switching'.

Switches take effect on the Wednesday of each week and will only be implemented on receipt of a correctly completed *Investment switching form* before 5pm (AEST) on the preceding Sunday. The Trustee may nominate an alternative day to process a switch request and may delay or suspend switches at its discretion.

We allow a maximum of 12 switches per year per member free of charge.

Once a switch has been completed, we'll send you a letter confirming this and how much has been switched.

Maritime Super's investment options

Everyone's circumstances and financial goals are different. That's why Maritime Super offers a range of investment options - both diversified and sector options, each with their own unique investment objective and risk profile.

You can invest in one, or any combination, of the investment options – it's completely up to you. However, it's important to consider your investment objectives and tolerance to risk when deciding on your investment strategy.

A financial planner can help you to work out your investment timeframe and risk tolerance, and then determine an appropriate investment option to suit your needs. Call Member Services to make an appointment with a financial planner.

To learn more about our investment options, refer to the *Investments Supplement* or visit the Investments section of our website at www.maritimesuper.com.au.

The Fixed Term Investment option

The Fixed Term Investment option provides a predetermined interest rate net of fees and any tax on investments held for a 12-month term. It is offered on a quarterly basis (on 1 March, 1 June, 1 September and 1 December), with the rate of return published on the Maritime Super website 2-3 weeks before each investment date. The predetermined interest rate will only apply if the investment is held to the end of the 12-month term. Early access before the end of the term is generally limited to situations required by super law or in exceptional circumstances.
